

## **ENTERTAINERS EXTRAORDINAIRE**

This brother-sister duo have been called "Entertainers Extraordinaire", as they continually amaze and delight audiences throughout the country.

Little did MATT & ROBYN Rolf ever imagine when they started in 1980 that their singing on Sundays as youngsters would lead to a full-time career, performing all over the country in front of large, enthusiastic crowds.

The Missouri siblings are outstanding vocalists, who perform not only as a superb duet, but also as terrific soloists. Their perfectly blended harmonies are the sounds that only families can achieve.

MATT & ROBYN play a large variety of instruments, including the trumpet, fiddle, bass guitar, saxophone, and keyboards.

But above all this, MATT & ROBYN are **entertainers!** They have built a reputation on a high-energy stage show that includes terrific music, choreography, comedy, audience participation, and non-stop action.

Age is no consideration when it comes to enjoying the MATT & ROBYN stage show. Old and young alike will laugh and stomp their feet to the antics and music brought to life by this dynamic duo.

MATT & ROBYN have appeared on such famous shows as the GRAND OLE OPRY in Nashville, TN, Jamboree USA in Wheeling, WV, the International Country Music Fan Fair in Nashville, and are one of the rare unsigned acts to appear at Jamboree In The Hills. They have shared the stage with superstars Reba McEntire, Ronnie Milsap, Neal McCoy, and many, many others.

Clean, energetic, top-quality music, stories, and jokes are what MATT & ROBYN bring to their audience. They host a repertoire of country and gospel songs, both old and new, and classic rock and roll tunes from the 50's and 60's. They also include a tasteful assortment of novelty tunes and proven crowd-pleasers from other styles of music.

MATT & ROBYN have enjoyed success in the recording industry as well. With several singles and albums, this brother-sister duo have made their musical mark.

They tour in their MCI bus with their sensational band and come completely self-contained. Their equipment includes a large concert sound system and professional stage lighting with spotlights.

MATT & ROBYN are **always** huge crowd pleasers, pumping the audience up with their fast-paced, high-energy, **excellent** entertainment.
